

## Mike Shenk

### Player Category Inducted November 2017

Mike Shenk is a player who has Hall of Fame numbers including the World Championship Teams he has played on to his batting average. But Mike will be the first to say that none of these accolades would be possible without the team mates he had over his career. Mike has won five NSA World Championship, Runner-up twice and Third twice. While playing NSA from 1993 to 2001, Mike was selected to the All World Team seven times, was World Series MVP once and All World Defensive Player once. During his years playing the NSA Major level, Mike had a batting average of .735 with 52 Homeruns and 112 RBIs. Those who witnessed Mike's play, all will say he was the best 3<sup>rd</sup> Baseman to play the game.

Mike's wife Kathleen and their children Derrick and Kristina have stood by his side while he played the game he loves. For years Mike traveled the country but never faltered as being a husband and father. Any NSA umpire that worked a game that Mike played in will attest that he was a true gentleman on and off the field.

Due to being unable to attend the Class of 2016 Induction Ceremony, Mike Shenk was inducted into the NSA Sports Hall of Fame in the Player Category on November 2, 2017.
