Field Dimensions & Diagram for Field Layout Measurements

Note: This field diagram is provided as a courtesy service of Markers, Inc.

If you have any question about this diagram, please contact your league office.

Skinned Infields: A 55' and 60' radius may be used with the front center of the 46" pitcher's plate as the center point of the arc. The 60' is recommended for 60' bases. For 65' bases, a 65' radius is recommended.
