

City of Williamsburg

Meritorious (Park) Category

The partnership with the City of Williamsburg, their Park and Recreation Department and the NSA began in 2001, and over the years that partnership has continued to grow. Williamsburg is a 100% NSA/BPA facility and hosts over 9 events per year at their facilities. They have hosted 3 Girls Fast Pitch World Series with a total of over 400 teams participating. The City of Williamsburg has hosted the GFP State Championships 12 of the last 16 years.

An area that the Williamsburg Park and Recreation Department is most known for is their outstanding ground crews. Teams play on some of the best groomed fields in the area and in the event of bad weather, the crews are some of the finest to get the fields playable in a very short time.

On October 30, 2018, the City of Williamsburg VA was inducted into the NSA Sports Hall of Fame in the Meritorious Category.
